# Gracia Burnham

Gracia will be our Banquet Speaker

For 17 years she and Martin, her husband, served with New Tribes Mission in the Philippines where Martin was a jungle pilot. He delivered mail, supplies and encouragement to other missionaries and transported sick and injured patients to medical facilities. Gracia served in various roles supporting the aviation program and also home-schooled their children--all of which were born in the Philippines.

While celebrating their 18th wedding anniversary at Dos Palmas Resort off Palawan Island, the Burnhams were kidnapped on May 27, 2001, by the Abu Sayyaf Group, a militant group of Muslims. They seized several more guests and took them to Basilan Island, an ASG stronghold.

On June 7, 2002, in a firefight between the Philippine military and the Abu Sayyaf Group, Martin was killed. Gracia was wounded, but was freed.

Since that time Gracia has authored two books: In the Presence of My Enemies, and To Fly Again. Gracia resides in Rose Hill, Kansas.
